AI-POWERED MARKETING WITH CLAUDE

Marketing automation
Automate ad-account audits, search-term analysis and reporting with Claude Code and MCP connectors.

AI agents & skills
Build Claude agents and skills that handle repeat work: audits, ad-copy variations and reports.

Vibe coding
Built a live Amazon, Flipkart and Meesho profit calculator with Claude Code.

Competitor research
Analyse competitor listings, pricing, reviews and ads with Claude, and turn findings into campaign plans.

PROFESSIONAL EXPERIENCE

• Digital Marketing And PR Manager

Vector X, Dunlop, Spalding (March 2022 - Present)

Soccer International Pvt. Ltd.

BRAND CAMPAIGNS & PR

1. Har Game Ke Liye Ready | Vector X

- Managed digital marketing for a FIFA World Cup 2026-aligned campaign built on four story-led films about Indian football culture.
- Coordinated creative assets showcasing grassroots football, training culture, community spirit and freestyle football.
- Ran the multi-week digital rollout and Meta Ads, driving 19,363 landing page views at ₹2.01 each.
- Earned national media coverage through coordinated PR support.

Media coverage: Adgully, Outlook Business, MyKhel, Impact, Ahmedabad Mirror

2. Unleash Football | Vector X

- Promoted women's and grassroots football through Vector X's ball partnership with SAFF (South Asian Football Federation).
- Ran launch communication for a new micro-textured football built to FIFA Pro quality standards.
- Ran digital promotions featuring the women's football team, linking product innovation with athlete engagement.

Media coverage: The Tribune, MediaNews4U, NewsWav, The News India Now

PERFORMANCE MARKETING

• Amazon + Flipkart (Vector X, 1–12 Nov 2026): ₹4.68L sales from ₹71K spend across Sponsored Products and PLA, a 6.5x return. Amazon: ₹3.39L sales, 512 orders, 6.54x ROAS (best campaign 7.77x). Flipkart: 6.59x ROI (best campaign 11.45x).
• Meta Ads (Vector X, Jun–Oct 2026): "Har Game Ke Liye Ready" drove 1.78M impressions, 9.2 lakh reach and 19,363 landing page views at ₹2.01 each.

WEBSITE, CONTENT & TEAM

- Own end-to-end digital marketing for 3 sports brands (Vector X, Dunlop, Spalding), from strategy and content planning to execution and performance reporting.
- Lead and manage a 7-person in-house creative team (4 designers, 3 video editors, plus 3D artists), ensuring on-time delivery of all creative and campaign assets.
- Own the company website (vector-x.com) end-to-end — design, content updates, and UX — keeping it modern, mobile-friendly, and conversion-focused.
- Direct product photo shoots and content production for launches, building a consistent visual brand identity across all touchpoints.
- Run influencer and creator partnerships to expand product visibility, and manage PR activities to strengthen online brand reputation.
- Execute targeted email marketing campaigns and ongoing content/SEO initiatives that grew organic reach and search visibility.

• Performance Marketing Consultant

Project-based · E-commerce & B2B brands (Present)

PROJECT 1 · AMAZON ADS, SPORTS EQUIPMENT BRAND

Split a mixed catalogue into 6 manual-targeting ad groups, paused non-converters early and moved budget to winners. Result: 5.72x ROAS in one week, ₹10.7K sales on ₹1.88K spend, 27 orders, ₹4.02 avg CPC, best ad group 13.25x.

PROJECT 2 · FLIPKART ADS, FESTIVE SEASON

Ran category-wise PLA campaigns, tested quick and kickstart formats, cut weak campaigns within days and scaled efficient ones. Result: 7.95x ROI in 10 days, ₹42.6K revenue on ₹5.36K, 100 units, 3.97% conversion, best campaign 23.36x.

PROJECT 3 · META ADS, B2B DEALER ACQUISITION

Built state-wise lead-form and WhatsApp campaigns for industrial brands including OAYKAY Tools, shifting budget to the cheapest states. Result: 631 dealer leads at ₹16–41 each and 449 WhatsApp chats at ₹4.33.

Digital Marketer / Social Media Manager

Heega Sports (Feb 2021 - March 2022)

- Tracked website engagement and user activity with Google Tag Manager and Google Analytics.
- Managed the brand's presence on YouTube, Facebook and LinkedIn.
- Used Google Tag Manager and Google Data Studio for tracking and reporting.
- Improved search rankings through content marketing and link building.
- Managed the company's e-commerce website.

Digital Marketer / Social Media Manager

National Sports (November 2019 - Jan 2021)

- Developed and implemented digital marketing strategies to attract new customers and grow brand awareness.
- Produced original social media content, helped manage promotional budgets and supervised marketing interns.
- Ran Facebook and Instagram campaigns for brand awareness and lead generation.
- Planned social media content and handled community management.
- Managed the company's e-commerce website.
- Monitored the brand's online presence and engaged with customers to build relationships.
- Generated organic and paid leads and ran brand awareness ads.
- Researched and analysed competitor advertising.

Digital Marketer

Techdost (Sep 2017 - Oct 2019)

- Measured and reported performance of all digital campaigns against ROI and KPI goals.
- Identified trends and optimised spend and performance based on the insights.
- Planned and executed web, SEM, email, social media and display advertising campaigns.
- Performed ongoing keyword research, expansion and optimisation.

Digital Marketer

Web Inventive (Feb 2017 - July 2017)

- Planned and executed web, SEM, email, social media and display advertising campaigns.
- Performed keyword research, expansion and optimisation.

AI TOOLS & AGENTS

- Marketplace Profit Calculator (tools.princesharma.in): compares seller profit on Amazon, Flipkart and Meesho after commission, shipping, GST, ads and returns, and finds the selling price needed to hit a target margin.
- AI agents: Meta Ads Generator, Carousel Generator and LinkedIn Image Generator.
- In progress: COD & RTO loss calculator, sale discount planner, break-even ACoS & bid calculator, search term report analyser and an SEO agent.
